Board Members absent: All present

Agenda:

Upcoming Clinics:

-October 09: 6U and 8U

Will be conducted at Nisqually Field the one closest to the school. We have the field from 830 – 230

~ ½ hour to set up and ½ hour to tear down

We have a list of drills to run for both groups. Drills to keep them involved. It will be focused on fun.

Most of the players are brand new

Booth with paper flyer with the prices for the registration and that registration will open on December 15th for the Spring Season

The issue with the Registration is when they go in to Register it looks like nothing is available however, they do have to click View More once they do it opens the clinic information

Next clinic will be a 10U Clinic due to time of year we might need to schedule indoors. Would like to schedule in November so we are running a clinic once a month. Thinking 13th or 20th.

12U and 14U we could go to Tenino to run clinics there. Tara is going to reach out to check on what is available in that area.

We do another 6U/8U in November on a different day of the week so that kids in other sports can participate.

Purchase needed:

Need a canopy and a table for a booth.
